## President's Letter

March 2017

Dear BFDRA Members,

Investments performed well last year, resulting in a 7.5% gain for the pension fund. Our funding ratio remains strong, declining fractionally to 111.25% from 111.29% in the previous year.

Early in 2016, the pension board engaged the Meketa Group, based in Chicago, for independent investment analysis and advice. They completed a thorough evaluation of our investments and suggested some minor changes to provide additional diversification within our investment portfolio. After updating our investment policy, we began implementing these recommendations.

Our annual audit was recently completed by the Office of the State Auditor. Requirements for the audit are increasing as they do each year. The audit went well with no new findings.

As always contact a board member if we can help in any way. Thank you for your support.

Sincerely,

A handwritten signature in black ink that reads "John Bayard". The signature is written in a cursive style with a large, looped "J" and "B".

President, BFDRA
