

Bloomington Fire Department Relief Association

I am aware that the current copy of the Bloomington Fire Department Relief Association bylaws (approved May 6th, 2013) are posted online at bfdra.org and I agree to be governed by those bylaws as a member.

I understand that \$12 will be deducted from my monthly fire check (as required by State Statute Ch 446) for the purpose of paying dues and that I am eligible to become a member of the Relief Association upon completion of an application.
